MLC Master of Science in Education Graduate Survey

The goals of the Master of Science in Education program are printed in bold. Please respond to each question listed beneath each goal.

Goal One: To demonstrate and share a specialized body of knowledge in an advanced educational area.

1. My graduate study area of emphasis has benefited me in my current practice.
   Strongly Agree Agree Neutral Disagree Strongly Disagree

2. I am better able to confront professional challenges after completing my Master's degree program at Martin Luther College.
   Strongly Agree Agree Neutral Disagree Strongly Disagree

3. I have written for a professional journal and/or given a professional presentation resulting from my graduate study.
   Strongly Agree Agree Neutral Disagree Strongly Disagree

4. Please share an example demonstrating how you used your advanced study since completing your degree program_____
   _____ .

Goal Two: To integrate educational theory with practical application necessary for effective and responsible decision making.

5. Martin Luther College's master's program has enhanced my ability to make effective decisions in my current position.
   Strongly Agree Agree Neutral Disagree Strongly Disagree

6. I have applied knowledge I acquired during my MLC master's program directly to my professional practice.
   Strongly Agree Agree Neutral Disagree Strongly Disagree

7. MLC's master's program has helped me become a more effective professional educator.
   Strongly Agree Agree Neutral Disagree Strongly Disagree

8. Please share an example of how your master's study has enabled you to bring theory into your practice_____
   _____ .

Goal Three: To apply research to promote effective teaching and to foster student learning.

9. My graduate studies have equipped me with the ability to understand and evaluate educational research.
   Strongly Agree Agree Neutral Disagree Strongly Disagree

10. As a result of my graduate program, I have used research to enhance the effectiveness of my teaching.
    Strongly Agree Agree Neutral Disagree Strongly Disagree

11. As a result of my graduate program, I have used research to improve student learning.
    Strongly Agree Agree Neutral Disagree Strongly Disagree

12. Please share an example of how your application of research has had a positive impact on the teaching and learning of a specific educational topic
    _____
    _____ .

Goal Four: To become reflective educators who understand and use assessment to inform and improve their teaching and student learning.

13. My graduate studies helped me understand the relationship between assessment and evaluation.
    Strongly Agree Agree Neutral Disagree Strongly Disagree

14. My graduate studies helped me understand how to develop a variety of well-defined assessments.
    Strongly Agree Agree Neutral Disagree Strongly Disagree

15. As a result of completing the master's program, I now deliberately use assessment results to inform and improve teaching and learning.
    Strongly Agree Agree Neutral Disagree Strongly Disagree

16. Please share an example of how your master's studies led you to use assessment results to improve teaching and learning
    _____
    _____.

Goal Five: To be cognizant of the differing needs of learners.

17. My graduate studies helped me be cognizant of the differing needs of students.
    Strongly Agree Agree Neutral Disagree Strongly Disagree

18. My graduate studies helped me diagnose the learning needs of students.
    Strongly Agree Agree Neutral Disagree Strongly Disagree

19. My graduate studies helped me understand how to differentiate instruction to meet the differing needs of students.
    Strongly Agree Agree Neutral Disagree Strongly Disagree

20. Please share an example of how your master's studies helped you determine the learning needs of a student and how your studies helped you provide appropriate instruction in response to the student's needs
    _____
    _____

21. Year of master's graduation _____
22. Master's degree emphasis _____
23. Current teaching grade level _____
24. Current administrative position _____
25. Gender _____

Thank you for providing feedback that will help evaluate the effectiveness of the Master of Science in Education program.
