Governing Board Focuses on Financials

At its fall meeting, the MLC Governing Board devoted a substantial amount of time to financial matters. Student fee increases of 5% were approved for the 2013-2014 school year. Professor Steven Thiesfeldt, vice president for administration, commented, "The Governing Board is committed to our strategic plan of keeping increases to 5% or less. Over the last four years, we have actually kept cost increases closer to 3%. This year, however, to accommodate the addition of requested student amenities, these higher increases were necessary." Additional agenda items included the approval of budgets for fiscal years 2014 and 2015, and a review of expenditures for *Let the Children Come* capital campaign.

Governing Board Extends Five Calls

On November 10, 2012, the MLC Governing Board extended calls to Mr. James Holm, Rev. Bart Brauer, Miss Jennifer Mehlberg, and Mr. Daniel Gawrisch. Also called was Mr. James Henrickson who would serve as coordinator for the Teacher Induction Program. The person in this position oversees a synodical mentoring initiative while serving in the Office of Graduate Studies and Continuing Education. We pray that God bestow his guidance and peace on these Christians as they consider these calls. Visit our website for call details.

Graduate Studies Program Opportunities

The MLC Graduate Studies program continues to live up to its slogan, "Even More Than You'd Expect." Recently, Director of Graduate Studies John Meyer released details about new courses and new professors, and a promotional video. In addition, information about spring course registration includes many opportunities for called workers to hone their skills. Visit the Graduate Studies home page for more details.
