MARTIN LUTHER COLLEGE—Studies in Educational Ministry

Elementary Education Majors—Enrollment in Area of Emphasis form

STUDENTS: Please meet with your advisor in deciding an area of emphasis. The emphasis consists of nine credits. For detailed information see page 41 in the current catalog or paste the following URL into your internet browser:

http://www.mlc-wels.edu/home/administration/deans/semfolder/semprogramplanfolder/.

All MLC students graduate with a Minnesota K-6 license with a grades 5-8 specialty. Those areas of emphasis listed below and marked with an * are considered licensure specialties in the state of Minnesota. As a junior or senior you will need to take a Praxis II specialty test assessing your knowledge in that area. If you choose Physical Education, Coaching, Music, German or Spanish as an emphasis, you currently would need to take the Praxis II specialty test in communication arts and literature as your general education credits fulfill the English specialty standards in the state of Minnesota. Also, if you choose either the German or Spanish emphases, you will need to take a diagnostic test to determine at what level you will begin in the foreign language. Look for information on diagnostic testing dates in February on the *Portal*.

ADVISORS: Please return this form to the office of the Academic Dean for Studies in Educational Ministry/WCC 152 by Tuesday, April 8, 2008.

Name_____

(please print)

Please select planned area of emphasis:

____ ENG English-Comm Arts and Lit*
