## Fun, Friends, and Football

MLC and our partners in the WELS Ministerial Education system invite you to join us on the campus of Luther Preparatory School **Saturday, September 20**. The festivities include pregame tailgating at 11:30am; MLC Knights vs. Blackburn College at 2:00pm; NWC, DMLC, and MLC Alumni football recognition at half time, and a post-game reception for all MLC fans. Visit the MLC website for more information.

## The Shepherd Society

MLC has established a way for God's people to offer memorial gifts to MLC to thank Jesus for the gospel in our midst and to more formally acknowledge the gospel ministry of particular called workers. We're calling it *The Shepherd Society*.

Each member of The Shepherd Society will be someone who has given a thank offering to Martin Luther College in appreciation of a particular pastor, teacher, or staff minister whom God has used to make a difference in his or her life.

MLC will give special recognition to the called workers so honored. They will receive a letter of gratitude from the MLC president, a personalized "Certificate of Appreciation" noting their name and the donor's name, and a copy of the donor's 'Words of Gratitude.' For more information visit our website.
