MLC

Midyear Graduation

Twelve MLC students graduated Thursday, December 17. A total of 12 category-one students (eligible for assignment anywhere) were considered by the Assignment Committee. Five were December '10 graduates and seven were previous graduates. Five received assignments into the teaching ministry. For updated information visit our website and follow the link labeled "assignment lists."

Evangelism Day at MLC

Verses from Romans 10, "The word is near you; it is in your mouth and in your heart," were the focus of the Evangelism Day Opening Worship Service Wednesday, January 20. Presented in conjunction with the WELS Commission on Evangelism dozens of pastors, teachers, and staff ministers from all over the country spoke to students on various evangelism topics such as "Various Witnessing Methods" presented by Roger Kneprath (*pictured*).

Tours and concerts are in season

Winter rehearsals typically bring spring concerts, but at MLC we can't wait until spring; we're bringing the concerts to you! The MLC Wind Symphony, under the direction of Professor Miles Wurster, will be touring eastern Wisconsin WELS schools and congregations February 4-8. They will culminate their tour with a concert at MLC on February 10. The MLC College Choir, under the direction of Dr. Kermit Moldenhauer (*pictured*), will head south on February 26 and tour the southeastern U.S. until March 10. Their home concert will be on March 21 in the Chapel of the Christ.
