

Stepping Out!

Stepping out—out of their dorm rooms and out of their comfort zones—will make the college experience so much more meaningful for your students. Here are just some of the opportunities listed on our MLC Portal this week:

- **Intramurals:** Sign up now for sand volleyball, singles and doubles tennis, flag football, and disc golf. More than 400 MLC students play on an intramural team every year.
- **Golf:** Meeting on Monday, August 22, at 4:45 p.m. in room 260. Missed the meeting? Talk to Professor Larry Lotito!
- **Study Skills:** Whether you're a new freshman who wants to start out on the right foot, or an old hat at the college game who wants to improve classroom performance...here's a resource you can check out: How to Study - <http://www.howtostudy.org/>.
- **Wednesday Morning Bible Study:** 7:30-8 am, starting Aug 24 in the library balcony. We'll explore gospel motivation using Robert Koester's book, "Gospel Motivation: More than 'Jesus Died for My Sins.'"
- **Women's Basketball:** Informational and organizational meeting Monday, August 29, after evening chapel in WCC Room 162. Meet Professor Larry Czer and other coaches, get schedules, and find out all about upcoming season.
- **Drop/Add:** Students may drop or add a course up to and including September 2. The Drop/Add form is located on the Records Office web site.
- **Athletic Department Jobs:** Home game managers needed: videographers, announcers, scorers, ticket takers, ball rotators, etc. Stop in the Athletic Office and learn more.
- **Cross Country:** Organizational meeting in Room 321, Old Main, at 4 pm on the first day of classes. Come dressed for a light work-out.
- **AVCO:** Students interested in the high-tech work involved with providing lighting, video, and sound for events on campus should contact Prof. John Nolte or Ben Rusch, student president of AVCO.
- **Job, Jobs, Jobs:** Go to www.mlc-wels.edu/go/needajob and select the Job Opportunities link to see the current postings for jobs on campus and in the community. Certain campus jobs are work-study jobs. If you want to know if you're eligible, check with Lynnda Kalk in the financial aid office. You may also register with the Work Force Center for jobs in New Ulm: 507- 354-3138 / www.minnesotaworks.net.
- **Women's Soccer:** A great group of 20 players has started practicing, but the team could use two or three more players to round out our squad. See Coach Schone.
